Notice- Health Seminars at Nationals 2010 in Lawrence, Kansas

The CSPCA is fortunate to have Dr. Linda Tintle giving two seminars at this year's National Specialty. Dr. Tintle serves on the CSPCA Health Through Education Committee, and has been involved in coordinating and overseeing our research projects. She is a licensed Veterinarian and founded the Wurtsboro Veterinary Clinic in Wurtsboro, New York in 1984, where she still practices. She is internationally recognized for her knowledge on health issues in our breed.

These free seminars are set to begin one hour after the completion of judging on Thursday and Friday afternoons. They are open for anyone and everyone with an interest in the health issues in our breed to attend. Reservations are not required.

October 14, 2010- Thursday afternoon

At this Shar-Pei Health Seminar Dr. Linda Tintle will present information about Autoinflammation, Hyaluronan, Familial Shar-Pei Fever and Amyloidosis and provide an update on current research into causative mutations in Shar-Pei DNA. Information about DNA test development will be shared."

October 15, 2010- Friday afternoon

This Health Seminar will feature a summation of Thursday's two hour presentation followed by a discussion of Shar-Pei autoinflammation and immune dysregulation and its impact on commonly seen health problems in Shar-Pei including skin, ear, eye, bowel and other systemic diseases. Question and answer periods will be provided and audience participation is encouraged.
